Local Housing Costs

Local housing costs can vary greatly across different parts of the local authority. These information (gathered September 2006) is for guidance only:

Average council rent for 1 bedroomed flat: £180 per month Average RSL rent for 1 bedroomed flat: £200 per month Average Private Rent for 1 bedroomed flat: £350 per month

Local Waiting List Times

In most parts of Scotland there is a waiting list for council and/or housing association accommodation. Waiting times can vary according to many factors. The following information (gathered September 2006) is for guidance only:

Unfortunately there is no way that Renfrewshire could give an indicative figure on average waiting time. It is very area specific, stock specific and varies considerably between RSL & Council. It depends on the individual's choice of area and circumstances. We are also currently finalising a new allocation policy which may also have an impact.

Local Projects for Young People

The following projects may be able to help young people who are thinking about / preparing for leaving home at an early age.
